I bought it to teach yoga, but I love it so much that I will most likely wear it everywhere, all the time. It is fitted and flattering without being tight. It looks great with leggings, jeans, skirts, everything! It is soft and comfortable. My biggest issue will be trying not to wear this every day. It is true to size and the cold shoulders are so on trend.0 of 0 people found the following review helpful. Two StarsBy sarahDoes not fit as it does in the model . I am 5'1 and 112 .
