Linda Kelly DeBruyne, Kathryn Pinna, Eleanor Noss Whitney : Nutrition and Diet Therapy (Nutrition Diet Therapy) before purchasing it in order to gage whether or not it would be worth my time, and all praised Nutrition and Diet Therapy (Nutrition Diet Therapy):

0 of 0 people found the following review helpful. Textbook is a TextbookBy Michael BOK. So it's a textbook. Don't expect much more but at least the rental process through is super easy and the cheapest I have ever found.If you want to use a highlighter, get some that aren't the wet type so that the glossy pages won't reject it causing you to have to dab every swipe with a tissue...yes, that was me.1 of 1 people found the following review helpful. Five StarsBy CustomerI loved this textbook. Very insightful0 of 0 people found the following review helpful. Five StarsBy Matthew T.Very nice product, very swift delivery

NUTRITION AND DIET THERAPY, 9th Edition, is unique in its organization by diets rather than by organ systems or disease states and distinguishes itself through rich pedagogical features that require students to apply their

knowledge as they learn it. This text provides core nutrition concepts and up-to-date clinical content at a level that is accessible to the range of health care team members who are responsible for a client's nutrition needs. **NUTRITION AND DIET THERAPY** provides the basic facts and a wealth of practical information readers need to assume their responsibility for nutrition care.

About the Author Linda Kelly DeBruyne, MS, RD received her BS in 1980 and her MS in 1982 in nutrition and food science at Florida State University. She is a founding member of Nutrition and Health Associates, an information resource center in Tallahassee, Florida, where her specialty areas are life cycle nutrition and fitness. Her other publications include the textbooks **NUTRITION FOR HEALTH AND HEALTH CARE**, **HEALTH: MAKING LIFE CHOICES**, and the multimedia CD-ROM **NUTRITION INTERACTIVE**. She is a registered dietitian and maintains a professional membership in the Academy of Nutrition and Dietetics.
