Helen M. Barker BSc MPH PGCE RD : Nutrition and Dietetics for Health Care, 9e before purchasing it in order to gage whether or not it would be worth my time, and all praised Nutrition and Dietetics for Health Care, 9e:

An introduction to nutrition and dietetics from a health care perspective. This edition has several new chapters, care plans have been added to Section 3 helping relate theory to practice, and the book has been improved in layout and content.
