Rita Jackson : Nutrition and Food Services of Integrated Health Care: A Handbook for Leaders before purchasing it in order to gauge whether or not it would be worth my time, and all praised Nutrition and Food Services of Integrated Health Care: A Handbook for Leaders:

A "must have" resource for nutrition and food service administrators, providing vital information about trends in the industry, how others are meeting current demands with innovative programs that contain costs without compromising quality, the standards of care in more progressive settings and how innovative techniques and technological advancements can be implemented to control resources while upholding these standards. Optional methods for the delivery of food service and nutrition care are presented along with actual case studies illustrating innovative solutions to the common dilemmas confronting dietetic professionals today.

About the Author LA TOYA JACKSON is the fifth of the famous Jackson siblings. A beloved international superstar in her own right and also a bestselling author, she earned public respect and affection for her triumph over her abusive relationship. Recently, she completed her forthcoming album "Startin' Over". She has been seen on many television programs including "Celebrity Apprentice".
