0 of 0 people found the following review helpful. Five StarsBy LYoungA great reference book. Very informative!

Completely revised with new chapters and sections covering everything the health-care provider needs to know when working with the older adult either at home or in nursing and long-term care facilities. Chapters cover factors affecting

nutrition, nutrition and disease, nutritional assessment, dining challenges and regulatory compliance. This scientifically sound and practical resource for new and experienced nutrition professionals includes new forms, resources, the food guide pyramid for older adults and an index of tales.
