**Corinne Balog Cataldo : Nutrition Diet Therapy - 6th edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Nutrition Diet Therapy - 6th edition:

0 of 0 people found the following review helpful. Nutrition and Diet Therapy ReviewBy passerculusI bought the book as a substitute for the Newer version, otherwise I would have given it 5 stars. Its easy to read/learn from and the formatis easy to understand. My only complaint about use was that it is in slightly different order than the newer version, which made it a little extra work to find all the info I needed for my class. But, all the info was there, and I found it DEFINITELY worth it to save the \$70 or so dollars to put an extra 20 minutes into studying for exams.
