Zephyros Press : Obamacare Simplified: A Clear Guide to Making Obamacare Work for You before purchasing it in order to gage whether or not it would be worth my time, and all praised Obamacare Simplified: A Clear Guide to Making Obamacare Work for You:

9 of 9 people found the following review helpful. Read this, reader.By Travis ZegarskiNot a soul I know would ever seek out the topic of health care as lsquo;light readingsquo;. However, now that the Affordable Care Act is going into effect, this book should be a mandatory read for all U.S. citizens. This book somehow covers a great deal of ground in

the wild world of health care without making the reader want to rip out his/her hair and/or go insane. It's chock full of data that everyone should be aware of, as the health care model we've known is about to get a makeover. This book is most importantly presented from an unbiased perspective that is respectful regardless of the reader's own feelings towards "Obamacare"; 3 of 3 people found the following review helpful. Interesting reading! - Al Paulvin
By Customer
On 3/23/2010 President Obama signed into law, The Patient Protection and Affordable Care Act (PPACA) or Affordable Care Act. The bill contained more than 2,400 pages. Prior to its signing, a bitter legislative battle ensued. This battle continued for more than a year. The combatants were occupants of both political parties. The reason the act is so huge, difficult to understand, springs from the current ins and outs of government-funded health care. "ObamaCare Simplified," from Zephyros Press attempts to make everyone's understanding of the ACA, easy. The confusion arises because the act references other sections of law. The book provides: . An overview of the goals and structure of ObamaCare. . A "how it works" section that explains the individual mandate, insurance exchanges, and ObamaCare funding. A timeline that provides a year-by-year breakdown of the law's implementation and what you need to know. Spotlights on "how ObamaCare impacts you, if you're a: senior citizen, immigrant, small business employer, employee or uninsured. 3 of 3 people found the following review helpful. Easy to read version of Obamacare
By antonio dilworth
It would be difficult to simplify anything as complex and far-reaching as Obamacare (Patient Protection and Affordable Care Act - PPACA) but this book does as good a job as one could expect. From the basics of Getting Started to the more complex issues this book will help you to understand your responsibilities under the Act. The Act is extremely complex (2,400 pages) and the ordinary citizen would be incapable of deciphering its mysteries. This inexpensive book covers just about every topic that the average citizen would need to know about and it is written in a clear and informative style. Topics such as Premiums, Co-Payments, Deductibles, Excluded Services, Urgent Care, etc, are described in detail which will help you to understand Your responsibilities. If you are concerned about what you need to do in regard to Obamacare, this book would be an inexpensive and worthwhile investment to find answers to your specific questions. Anthony Dilworth 12/9/13

ObamaCare is a complex law that will affect every single American. Everyone has an opinion about ObamaCare, but few people actually understand how the Affordable Care Act works. ObamaCare Simplified navigates you through the intricacies of the health care law and explains what it means for you. Whether you are satisfied with your present insurance or seeking to get insured, ObamaCare Simplified informs you of your rights, presents the facts, and will help you make well-informed decisions when it comes to your health care plan. ObamaCare Simplified provides an easy-to-follow guide to the Affordable Care Act and what you need to know, offering: An overview of the goals and structure of ObamaCare, and how it changes the current health care system A "how it works" section that explains the individual mandate, insurance exchanges, and ObamaCare funding An ObamaCare timeline that provides a year-by-year breakdown of the law's implementation and what you need to know Spotlights on "what ObamaCare means for you," which explore the different impact of the law on various groups, including: senior citizens, immigrants, small-business employers, employees, uninsured individuals, and more Information on how ObamaCare affects individuals, depending on age, income, and employment status
Taking care of your health should be your most vital priority. ObamaCare Simplified is your complete guide to understanding how ObamaCare works and what it means for your health care.
