Dikaios Sakellariou BSc(OT) MSc(OT), Nick Pollard DipCOT MA MSc : Occupational Therapies Without Borders: integrating justice with practice, 2e (Occupational Therapy Essentials) before purchasing it in order to gage whether or not it would be worth my time, and all praised Occupational Therapies Without Borders: integrating justice with practice, 2e (Occupational Therapy Essentials):

Read about justice in everyday practice; austerity across the world and how it affects people's lives; the impact of neoliberalism on health systems; eco-social occupational therapy; evaluation in community-based practice and many more in the new edition of Occupational Therapies without Borders, edited by Dikaios Sakellariou and Nick

Pollard! A thought-provoking book, with 67 chapters and 150 authors from all over the world writing about the social and political aspects of occupation. This book aims to inspire occupational therapy students and practitioners to include transformational elements into their practice. The new edition of this landmark international work builds on the previous two volumes, offering a window onto occupational therapy practice, theory and ideas in different cultures and geographies. It emphasizes the importance of critically deconstructing and engaging with the broader context of occupation, particularly around how occupational injustices are shaped through political, economic and historical factors. En castellano La nueva edici3n de Terapias Ocupacional sin Fronteras (Occupational therapies without borders; Integrating justice with practice) est3 lista!
