Dawn M. Nilsen Timothy J. Wolf : Occupational Therapy Practice Guidelines for Adults With Stroke (The AOTA Practice Guidelines Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Occupational Therapy Practice Guidelines for Adults With Stroke (The AOTA Practice Guidelines Series):

This Practice Guideline provides an overview of the occupational therapy process for adults who have experienced a stroke, defining the domain and interventions that occur within acceptable occupational therapy practice. Topics include evaluation, intervention, and outcomes, and extensive attention is given to cognitive, motor, and psychosocial

impairments.
