KEN KESEY : One Flew Over the Cuckoo's Nest: (Penguin Classics Deluxe Edition) [Paperback] before purchasing it in order to gage whether or not it would be worth my time, and all praised One Flew Over the Cuckoo's Nest: (Penguin Classics Deluxe Edition) [Paperback]:

0 of 0 people found the following review helpful. Frighteningly BeautifulBy Kirk D. CarverKeseY does a wonderful job driving a story forward of individuals' struggle against unjust authority and their own shortcomings. The prose is effective in painting a picture of lucidity within insanity that the reader can identify with. The ending is haunting and at the same time hopeful.0 of 0 people found the following review helpful. Funny, poignant, and tragicBy SleipnirFunny, poignant, and tragic portrayal of life in a ward of a psychiatric hospital some decades ago, when an all-powerful member of staff, in this case Nurse Ratched, could use ECT and lobotomies as punishment for anyone who dared challenge her authority. It is a complete abuse of her role, and of ethics, and she is ultimately responsible for two deaths near the end. McMurphy took her on and lost more than just his freedom, while Bromden, who had seen himself as a lifer and who was so much helped by McMurphy - far more than he ever appeared to get from the so-called treatment he had been in for so many years - experiences a sufficient degree of recovery that he can flee captivity and try to restart his life. The reader can see, for so much of the book, the inevitability of McMurphy's fate, but is powerless to prevent it.0 of 0 people found the following review helpful. Best Version under the sunBy David HedgesThis is the absolute best version of Kesy's ONE FLEW OVER THE CUCKOO'S NEST. Mark Hammer not

only narrates it, he performs it. From his heart to the listeners.
