Robert Baran, Ekart Haneke, Roderick J Hay, Bianca Maria Piraccini, Antonella Tosti, Eckart Haneke, Roderick Hay : Onychomycosis: The Current Approach to Diagnosis and Therapy before purchasing it in order to gage whether or not it would be worth my time, and all praised Onychomycosis: The Current Approach to Diagnosis and Therapy:

1 of 1 people found the following review helpful. informative, not always easyBy David Roy, Ph DInformative but not always easy to read for a non-medical person. It was helpful for an overview but sometimes filled with tedious detail.

Rapid advances have been made in the development of therapies for onychomycosis, and there is therefore an

increasing need for accurate diagnosis and selection of appropriate treatment. This text, written by a team of authors with expert knowledge in nail disease and fungal infection, discusses clinical presentation, diagnosis, laboratory procedures, the assessment of results and identification of possible infection, and concludes with an overview of available treatments.
