0 of 0 people found the following review helpful. This ebook saved me a lot of money. I would most definitely recommend it. By Customer I have four young children. They get sick a lot during the winter months and I just got tired of buying expensive medicine. I did a research and I downloaded this ebook. I am so glad I did because it's very educational and I saved a lot of money. Thank you!!! 0 of 0 people found the following review helpful. WOW! By Leora Eisenberg All I can say is WOW! If you want to learn about natural antibiotics, this is the book for you. Julie Love presents an astounding amount of information in so few pages that I am in awe. So useful! Thank you. 0 of 0 people found the following review helpful. super! By Karen mcLeod Some very great ideas and info on natural home remedies. This book is full of great information and can help you save money. Highly recommended!

Organic Antibiotics And Antivirals: Use Natural Herbal Remedies To Prevent And Cure Common Ailments Limited Time Offer! Ever wondered how our ancestors survived common illnesses and many serious medical conditions when there was no modern medicine? Didn't you feel better when your grandma offered a cup of her special no flu tea when you were ill? Have you ever used herbal teas for relief from common cold or flu? Herbal antibiotics and antivirals are undoubtedly one of the most effective remedies for a number of common ailments. And the best part is that herbal remedies are chemical-free and don't have serious side-effects like over-the-counter medications. I have spent a big part of my life consuming over-the-counter medicines, which is why I became heavily dependent on pharmaceutical drugs for my health problems. It was some time ago, when I realized that these medicines were only providing temporary relief and are not a permanent solution for my ailments. I then did some research, after which I started including herbs into my life. But it was during my recent trip to Asia that I came to know about the amazing benefits and uses of herbs. I was amazed to see how people in different parts of the world use herbal remedies to treat many illnesses. This book will help you understand the importance of herbal remedies and how anyone can use herbs to cure their illnesses without dangerous side-effects. **PREVIEW OF THE BOOK** In this book, you'll learn about: The Power of Natural Remedies How Can Natural Remedies Help Dangers of Drug-Store Antibiotics What is Antibiotic Resistance? Common Herbal Antibiotics The Most Effective Herbs And Their Uses Herbal Antibiotic Recipes for Common Problems Popular Herbal Antibiotics Natural Antivirals for Cold and Immunity
