I am also using it to educate my physical therapy interns. A lot of information. Great text book!0 of 0 people found the following review helpful. I love it!By CustomerIs perfect. Nice pics, well explainI'm happy I got it!

Take an eclectic, evidence-based approach to orthopaedic manual therapy. From theory through practical application of soft tissue and joint mobilization techniques this comprehensive resource delivers the depth and breadth of coverage you need to optimize patient outcomes through informed clinical decision-making as part of a comprehensive intervention regimen.
