**National Ski Patrol, American Academy of Orthopedic Surgeons, Nsp, Ski Patrol Natl : Outdoor Emergency Care (Student Workbook)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Outdoor Emergency Care (Student Workbook):

0 of 0 people found the following review helpful. greatBy jnetworks great in conjunction w/the National Ski Patrol OEC manual0 of 0 people found the following review helpful. Student Workbook goodBy SkinanaLove these workbooks although NSP has done away with the study guides and workbooks. You can get some information and study online but if you have a power outage not going to work.0 of 1 people found the following review helpful. Perfect for the Ski Patrol OEC CourseBy S. LoweryThis book is designed to work directly with the OEC course. It is not a stand-alone textbook. It is the perfect OEC study tool, nothing more, nothing less.

This resource is designed to encourage critical thinking and aid students' comprehension of the Outdoor Emergency

Care course material. Each chapter has been supplemented with: \*Case studies and corresponding questions \*Figure labeling exercises \*Cr
