Dr. Jean-Ronel Corbier MD : Overcoming Obesity: Personal Insight from a Christian Physician before purchasing it in order to gage whether or not it would be worth my time, and all praised Overcoming Obesity: Personal Insight from a Christian Physician:

1 of 1 people found the following review helpful. Very helpful and inspiring. This is one of the ...By nirtakVery helpful and inspiring. This is one of the kindest neurologists around and his caring for those struggling with this subject matter comes across in very helpful guidance and suggestions. I have been losing weight using some of these techniques and it is staying off!

Have you been struggling with obesity? Have you reached a point where you MUST lose weight now? Dr. Jean-Ronel Corbier discusses weight loss and explains how he was able to lose 100 pounds going from fat to fit in only 7 months. This captivating and easy to read book discusses obesity and weight loss not only from a professional perspective but also from an insider's viewpoint. Dr. Corbier shares information regarding his personal struggles and victory in the battle over obesity. In addition: See how obesity affects both children and adults. Discover how genes, hormones and stress affect your weight. Find out why losing weight is not optional. Learn how the mind and various behavioral techniques can be used to conquer obesity. Get information on the pros and cons of drugs and surgery for obesity. Be taught how you can lose weight naturally, safely and permanently. Drs. Jean-Ronel and Michelle Corbier are Christian physicians, pediatric neurologist and pediatrician respectively who have developed a model called the RESTORATION model. It was initially developed to address complex problems seen in their neurological patients. This comprehensive model of wellness offers hope to all those afflicted by illness.

About the Author Dr. Jean-Ronel and Michelle Corbier are Christian physicians, pediatric neurologist and pediatrician respectively. Their faith and approach to health lead to the development of a unique construct, the RESTORATION model which is dynamic, natural, comprehensive, etiologic-based and curative. They have a medical practice in Montgomery, Alabama.
