7 of 7 people found the following review helpful. Moving, inspirational By Caitlin McGinn This is a tough, touching read. People's experiences and successes can be very helpful when they're similar to what you're going through. It

helped me realize while I need to change certain aspects of my eating, I don't have the same symptoms of what was revealed story after story. I am so happy for those people who have been willing to share their experiences to help others.0 of 0 people found the following review helpful.
