Kaplan : PANCE Strategies, Practice, and Review with 2 Practice Tests (Kaplan PANCE) before purchasing it in order to gauge whether or not it would be worth my time, and all praised PANCE Strategies, Practice, and Review with 2 Practice Tests (Kaplan PANCE):

0 of 0 people found the following review helpful. Four Stars By Betsy Loika Good review questions 1 of 2 people found the following review helpful. Good for test taking tips and extra test questions. Not the only book you will need to pass the PANCE. By Tyler Roper I bought this book in January and took my PANCE mid-March. I thought this book was really good for the test taking strategies. Obviously being in PA school I have taken what seems like thousands of tests. As we know the PANCE is not like every other test. This book gave me strategies for eliminating wrong answer choices, and to really get at the root of what the question asks. My school gave me online access to all the test question

before I even got this book, and the questions are pretty good overall. Some are more in depth than what you see on PRACTICE RAT but they give really detailed explanations for both the right and wrong answer choices, which helps me a lot (especially when you think you are right and get the question wrong!). This is definitely not the ONLY book you need to pass the PANCE, but I would recommend it for both test taking tips and extra test questions. 2 of 2 people found the following review helpful. Definitely enlightened me to the more scientific concepts that were ...By Denny Brown Definitely enlightened me to the more scientific concepts that were on the PANCE. Helped me focus my studies and guided me to my 'Pass'
