Bryan E. Bledsoe, Robert S. Porter, Richard A. Cherry MS EMT-P : Paramedic Care: Principles Practice, Volume 5 (5th Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Paramedic Care: Principles Practice, Volume 5 (5th Edition):

For courses in Paramedic Emergency Medical Services A strong, evidence-based foundation in the principles and practices of modern EMS Paramedic Care: Principles Practice, Fifth Edition, offers EMS students and professionals a foundational guide and reference to paramedicine. Developed to stay ahead of current trends and practices, all five volumes are based on the National EMS Education Standards and the accompanying Paramedic Instructional Guidelines. Volume 5, Special Considerations/Operations, provides paramedic students with information they need

about special populations and paramedic operations. The first eight chapters discuss medical emergencies involving special patient populations: gynecology, obstetrics, neonatology, pediatrics, geriatrics, abused/neglected/assaulted patients, patients with special challenges, and patients who require chronic care. The next eight chapters examine special circumstances that the paramedic may face at any time, including multiple-casualty incidents, rescue operations, hazardous materials, crime scenes, rural practice, and terrorist incidents. Also available with MyBRADYLab This title is also available with MyBRADYLab an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. Note: You are purchasing a standalone product; MyBRADYLab does not come packaged with this content. Students, if interested in purchasing this title with MyBRADYLab, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information.
