Dr. Joe Nathan DC : Part 1 Chiropractic Board Review: General Anatomy before purchasing it in order to gage whether or not it would be worth my time, and all praised Part 1 Chiropractic Board Review: General Anatomy:

Part One of the National Board of Chiropractic Examiners is a series of 6 exams of 110 questions each in a fairly short period of time. The best way to prepare for this style of exam to use practice tests to build your confidence, increase

the speed of answering questions increasing your score. I have been there and done that and I want to help future generations of Chiropractors pass their boards, from the Above - Down. This is a simple collection of 5 full practice exams for one of the 6 section of the First Part of the NBCE national Chiropractic board exam.
